LET'S WORK TOGETHER. I'M  
NOT ONLY A EMPLOYEE. I  
REALLY AM IN YOUR TEAM.

I'm your partner in the project,  
and a helping hand when you  
need one. Always giving my best  
to create together something  
unique.

# GET IN TOUCH

I'm Zan.

front-end developer who loves design, creative programming, and 3D art. With a passion for problem-solving and development, I create visual stories through authentic design. I always strive to make a lasting positive impact on the digital landscape and business.

not working, I enjoy climbing, knitting, and taking walks with my dog, Lola. I'm on my way to travel around the world!
